

Ranking Criteria for the Door County Coastal Byway Letters of Support/Recommendation

If your organization is considering grant applications for projects that will enhance traveler experience along the Door County Coastal Byway scenic corridor, you may be eligible to receive a letter of endorsement from the DCCB Council which could be used as support toward your application. Your project will be considered based on the following criteria. For additional information on the Door County Coastal Byway or to request a review, please e-mail Ann Miller at bhnews@amautocare.com or phone (920) 839-2288.
